

Frequently Asked Questions

What does VBS mean?

It's an acronym for the program called "Vacation Bible School." It's a free multi-day kids' event where they can come to learn about Jesus, play games, make crafts, eat snacks, and more!

What is the True North theme?

We will be studying how Jesus is our True North in a wild world. We can all agree that life is full of unexpected twists and turns, and we'll be sharing with the kids how Jesus is the True North and Constant Friend to guide us through life.

What if we can only make it some of the days?

No worries! We're happy to have your kids join for any days your family is available.

What do you have in place to ensure my child's safety?

Children are precious to us at Fairhaven, and we know that we have a profound responsibility to care for and protect them. Here are some of the safety measures we have in place, so that you can rest at ease and so we can provide a fun and safe VBS for all.

- Trained and vetted staff members that work together in teams to provide the safest and most loving care necessary.
- Our sign-in and sign-out system ensures that only people you approve can drop off and pick up your child.
- A place on our forms where you can fill out any allergies/medical conditions we should be aware of, as well as your contact information should anything unexpected arise.

Is there anything we need to bring for VBS?

Just a copy of the completed emergency information form that we will email you after registration.

Otherwise, we only suggest the 2 items below:

- Closed-toed shoes, to protect from any stubbed toes during games/activities.

- For Elementary age and up – A Bible for memory verse time. (If you don't have one, then we are happy to provide one for free!)
